

Members Season Ticket Renewal Form 1st April 2021 to 31st March 2022

Dear Member,

We hope you enjoyed playing your golf at Elmwood in the last year and very much look forward to seeing you out on the course in the season ahead.

Season tickets are now up for renewal for this coming season and we would very much appreciate that forms are returned to us well before 31st March for us to process them onto our system.

All forms should be returned directly to the golf course reception.

Please retain your existing member's card and number for this coming season and ensure we have your correct contact details and your email address for our records.

Please take the time to read your season ticket benefits - we created them to ensure that you get the best possible value for your membership.

We would like to take this opportunity to thank you for your continued support during these unprecedented times and look forward to seeing you both out on the course and in the Clubhouse in the season ahead.

Best Regards & Happy Golfing

MEMBER RENEWAL FORM 1st April 2021 - 31st March 2022

Ways to Pay

Complete the season ticket renewal form and return to Elmwood Golf Course with your chosen category and method of payment. Additional forms can be collected from reception.

You can pay in full by cash, cheque, or credit/debit card. **Cheques should be made payable to SRUC.**

*Alternatively you can spread the cost of your payments over 8 months (April to November) by direct debit.

All season ticket holders choosing to pay by direct debit are required to complete a new bank mandate on renewal of membership. This ensures that both your details and the mandate form are current.

Season Ticket Terms & Conditions

General

1. Renewal period is 1st April 2021 – 31st March 2022 (The membership year)
2. All season tickets (membership) are for a minimum period expiring 31st March 2022
3. New members may join Elmwood Golf at any stage through the membership year.
4. Season Ticket fees are non-refundable.
5. By being a season ticket holder you agree to the rules of Elmwood Golf. (Available on website)
6. Golf Insurance is automatically included when joining and renewing season tickets. This covers third party liability for any accident whilst playing golf.

Direct Debit Terms

1. If choosing to pay by direct debit we will take the first payment directly at the golf course and this can be paid by card, cheque, or cash. This ensures that your bank mandate is processed in a timely manner and the 7 remaining payments fall on the correct due date which is on or around the last working day of each month. * Please note – if mandates are received before the 20th of March this will allow enough time to get the details onto our system and no first payment by card required. Mandates received after the 20th March will require first payment by card (covers April) and 7 further payments by direct debit commencing May 2021.
2. If a direct debit payment is rejected, all playing privileges will be suspended with immediate effect and the full outstanding amount falls due.
3. Elmwood Golf must be notified if a season ticket holder cancels their direct debit, and all outstanding fees for the membership year must be paid in full within 14 days. The option to pay by monthly direct debit is a contractual agreement.
4. Failure to pay membership fees within the agreed schedule may result in referral to a solicitor to recover all fees due plus any reasonable expenses incurred by SRUC including legal costs.

BRS Golf Online Tee Booking System.

This system is an integral part of Elmwood's live computerised booking system, whereby tee time availability is accurate and up to date to the second from anywhere in the world.

We encourage you to use this service as it allows members and visitors to book a tee time over the Internet and get instant on screen and e-mail confirmation of their booking thus reducing the need for phone calls.
